Following natural trends

- Drawing inspiration from the flow of seasons
- Romantic colors go well with your life mood
- Lime freshness sprouts up in luxury
- Beige's dispersed in the green, like stars dotted the sky, brightening up your living space.

Lower Maintenance

Strong UV Defence

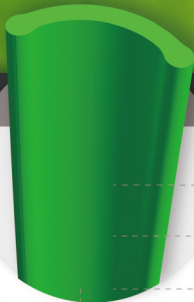

Eco-Friendly

Safe for Children & Pets

Excellent without compromise

C-shape

- Reinforces the blades
- Offers admirable durability
- Stands more erect under pressure
- Reflects the light better for a more realistic look

Great density & softness underfoot

Best choice for high-traffic

Lay on the grass, bask in the afterglow, and indulge in endless imagination.
